

Table ES-1: Vision, Focus Areas, and Action Items

THE VISION			
By 2035, Washington’s transportation system safely connects people and communities, fostering commerce, operating seamlessly across boundaries, and providing travel options to achieve an environmentally and financially sustainable system.			
FOCUS AREAS			
Maintain And Preserve Assets	Manage Growth and Traffic Congestion	Enhance Multimodal Connections and Choices	Align the Funding Structure with the Multimodal Vision
ACTION ITEMS			
MP1	MG1	EC1	FS1
Maintain, preserve, and operate assets and manage demand to meet desired performance on multimodal transportation systems before funding expansion projects	Promote transportation-efficient communities by coordinating and providing state agency technical assistance to emphasize the link between land use and transportation at all levels of government, the private sector, and other organizations	Work to achieve better travel time reliability and door to door multimodal connections for people of all backgrounds and abilities through continued application of practical solutions	Support funding flexibility to reduce barriers to creating an integrated multimodal system that achieves performance objectives
MP2	MG2	EC2	FS2
Support ways to help jurisdictions, transportation asset owners, and transportation service providers prepare for, respond to, and become resilient to emergencies and disasters	Prioritize access for people and goods instead of throughput for vehicles to improve multimodal options, livable communities, and economic vitality for people and businesses	Provide transportation facilities and services to support the needs of all communities, with a focus on equity for populations with specialized needs, those in rural areas, and those who are traditionally underserved	Work to diversify and strengthen transportation revenue sources to hedge against inflation and economic downturns
	MG3	EC3	FS3
	Research, evaluate, adapt to, and deploy technologies and innovations in all modes; share best practices	Adopt metrics for all modes to align with performance objectives	Address the constraints and opportunities for public-private partnership programs
